

Dear Precious Friend,

November, 2014

The Earth Is The Lord's

And Moses said to him, As soon as I am gone out of the city, I will spread abroad my hands to the LORD; and the thunder will cease, neither will there be any more

hail; **that you may know that the earth is the LORD'S.** *Exodus 9:29*

The just Jehovah could not expect Pharaoh to obey His voice, until He had shown Himself to be not just Lord of heaven, but also of earth. Some believe that heaven is God's domain but the earth was made for man. They see the earth as the place where they freely and independently rule. Others deal with the earth as neutral territory where the battle rages on with Satan until an ultimate future victory and they focus on their departure to heaven. The Bible teaches that the EARTH BELONGS TO GOD NOW and it was made for His glory.

The earth is the LORD'S, and the fullness thereof; the world, and they that dwell therein. *Psalms 24:1*

Adam and Eve were never given the title deed to planet earth making them supreme owner and ruler and they were never created to take dominion independently of God. Neither are we. Because of their desire to rule as gods without God Almighty's oversight, the enemy was able to intrude into the affairs of earth. Satan continues to work through the children of disobedience, but the Lord reigns supreme over both the heavens and the earth.

Wherein in time past you walked according to the course of this world, according to the prince of the powers of the air, **the spirit that now works (is active) in the children of disobedience:** *Eph. 2:2*

The enemy is called the prince of the powers of the air, but his is a renegade government that was toppled at the cross. The enemy WORKS in the children of disobedience, but God REIGNS. When we fight a battle to dismantle the enemy's apostate rulership, it must be with the knowledge of the Absolute God's supreme dominion over the earth and over all of creation.

Beloved, the earth is the Lord's NOW, not just when He returns. His rulership is a present reality and we must cooperate with His governing power NOW.

There are consequences in our relationship with the Supreme God when we don't see that He rules ON EARTH NOW. Like Pharaoh, there is a lack of the fear of the Lord which leads to disobedience and disorder in our present lives. There are even believers who focus on their preparation for heaven but their present lives are in practical and moral disarray. There can also be a lack of thankfulness for all that God has done and continues to do in our lives when we don't acknowledge His lordship on earth.

Fear before him, all the earth: the world also shall be stable, that it be not moved.

1 Chron. 16:30

But as truly as I live, all the earth shall be filled with the glory of the LORD. *Num. 14:21*

The earth was created for the glory of God. The earth will never be earth as it was intended without God. But as we glorify and cooperate with Him as the Lord of heaven AND EARTH, the supreme Being of life and power defends us and is active in our lives here. As it is in heaven, so be it also on earth!

NEWS FROM THE LAND:

The Jewish people were peculiarly called to steward the land of Israel as a sign pointing to the redemption of the whole planet, and especially now as Yeshua prepares to return in all His glory. The enemy is trying to install his apostate rulership in this region, but Israel was raised up to demonstrate that the EARTH TRULY IS THE LORD'S AND THE FULLNESS THEREOF.

The battle is raging as the spirit of terrorism from the surrounding region spills onto the land and in particular, Jerusalem. Every day we are seeing stabbings on streets, car crashes into bus stops killing numbers of people, stone throwing, massive rioting and most recently today, a brutal massacre in a synagogue as terrorists wielded axes, knives and guns to slay numbers of Jewish worshipers. My women's group continues to fervently pray. We have also been prayer walking, asking God to seal off the area where we live since we are very close to Palestinian areas that have been having riots.

NOW IS THE TIME TO PROCLAIM:

I have been sharing the gospel in the promenade overlooking the Old City where many Israelis and Palestinians take walks. Aaron is an older man who is there almost every day. I shared the gospel with him. He listened and desired to know about Yeshua, receiving the NT and prayer. Please pray for him.

My neighbor and I discussed Pro Life recently. She is a midwife. She told me she's not religious but let me know that her friend works for Jews for Jesus! With that, I immediately shared my testimony. She listened intently. Please pray for Drora as the Lord apprehends her.

Once again with friends trekking in the Judean Hills, we had opportunities to share the gospel with Israelis who hike there regularly. When I began to share Yeshua with Israel, a new age philosopher, he said, "I don't know how to approach him." With that I began to go deeper. Please pray for him and the many souls who have heard the gospel on these treks.

Please pray for Natanel, who recently received prayer and the NT, to have a deep revelation of Yeshua and for him to take the next step and come to a service.

I am going to Greece to speak in a Women's conference in January on my way to the States for my yearly trip. Please pray for continued divine connections in building Jewish-Greek unity. Events and conferences are in the making!

Thank you for your loving support. You have been such a faithful friend. May He richly bless you for how much you've sown into my life.

For His Glory,

Greta
