

## Why all this panic?

These are really serious days we are living in. At the end of February, I was in a prayer meeting for Greece and Israel and I saw the word in front of me: PANIC. It was very very clear. I began to pray into that and then I just forgot about it. Since that time there has been A LOT OF PANIC. I want to share with you what the Lord showed me about this panic. A lot of people think that it's a panic about the Coronavirus and I believe that that's the catalyst, but what God has been saying to me is that this panic is coming from something much deeper and exposing something more intense in the human soul and it's this: the fear of death! The FEAR OF DEATH is causing PANIC all over the globe because it's the human condition.

Every human being has the fear of death, everyone who doesn't know Jesus Christ and the blood of the Lamb. So the panic at this moment is the fear of death. People are trying to find a vaccine, they are trying to find some sort of medicine against this virus, but the fear of death has no medication. There is no medicine against it. There is no vaccine against the fear of death! There is no injection, there is no doctor or surgeon or surgery or research that's going to come up with a cure and a freedom from the fear of death because the fear of death has only one therapy and one medication and that's the blood of Jesus Christ! That's the only thing that can set the human race free from the fear of death. And that's why Jesus came.

I want to encourage you today to call on the name of the Lord.

As I was praying with some friends recently, I had an amazing experience. I was praying about the judgement of God. He put in my heart that this coronavirus was a judgement, but what kind of a judgement? As I began to pray about this, suddenly I had a very strong picture in my spirit. I saw a judge in a court room hitting the table with the hammer. Many of you have seen this many times. The judge, when he is declaring a verdict, or a judgement, hits the hammer. When I saw it, I knew that God was saying: This is a JUDGEMENT! Then suddenly I had the most incredible picture. It switched and I saw the Lord Jesus Christ on the day of His crucifixion. I saw the very same Judge's hammer, hammering the nails that went into the Lord's hands. It was a hammer, it was a judgement. It was the judgement of God that was allowed to fall on His own son.

It says in *Isaiah 53*: It pleased the Lord to crush His son because He made Himself a sin offering. The same hammer of the judge was the very hammer that hit those nails that pierced the hands that kept Him on the cross. The judgement that was for you and for me and for all humanity fell on the pure Lamb of God, the Lamb, the blameless Lamb. There is still freedom from judgement today. If you would just open your heart and accept the Lord Jesus Christ, accept the payment that He made, that He took your judgement for sin, the full wrath of the Father, onto His own body so that you and I could be free.

I prayed with some friends about the Coronavirus as a judgement of God, and we realized that the only way that this pandemic can be lifted is if we pray and repent to God for our sins and declare that this judgement fell ON HIS SON. The same hammer of the Judge hit the nails that went into the body of the Son of God so that we could get free of Coronavirus, fornication, all kinds of sickness, adultery, hatred, gossip, the wrong kind of jealousy, all kinds of sin. You can

get free today, my friend. The perfect Lamb of God took your judgement. He took the full payment of the wrath of God so that you can be free today. Call on the name of Jesus! Allow the Lamb of God to take your place in judgement so that you can be free to live your life to God! Amen.

*Forasmuch then as the children are partakers of flesh and blood, he also himself likewise took part of the same; that through death he might destroy him that had the power of death, that is, the devil; And deliver them who through fear of death were all their lifetime subject to bondage. Hebrews 2:14-15*

*Verily, verily, I say to you, If a man keep my saying, he shall never see death. John 8:51*
