

Holiday Greetings, December, 2020

Beloved Friend,

We had a blessed 2020 in spite of the coronavirus. The Lord opened special doors to see some friends, to receive new visitors, to share our faith near and not too far. Heaven touched our lives. He came to us. We fell more and more deeply in love with Jesus.

Thank you, precious friend for your love, prayers and generosity. I am so deeply grateful to God for you.

Wishing you a most fruitful, healthy and joyful holiday season and New Year in Jesus.

God is Love.....
