

Dear Faithful Friend,

Pass Over 2023

I am in Jerusalem! Sylvie and I arrived for the Passover at my good friends Reuven and Benjamin Berger's kehilah and what a Passover it was! Five hours of readings from the Exodus to the Betrayal and Crucifixion of Yeshua and finally to the Marriage Supper of the Lamb. Singing songs of love and adoration to Yeshua and finally breaking out into vibrant celebratory circle dancing!

May we all come out of Egypt in every way, experience our co-crucifixion with our Passover Lamb and prepare to be His Bride at the Marriage Supper of the Lamb that will be our final exodus from our fallen separated lives into our complete and eternal union with Him and into the fulfilment of all things!

I feel like I have a renewed burden to see Israel (and the nations) pass-over from death to life in their Messiah. I am a living witness of the reality of death and hell, Life and Glory since 1982 when the Lord visited me and showed me the other side of eternity. My urgency to share Yeshua was given a mighty jolt this season and I find myself sharing the gospel more than ever before with divine opportunities that the Lord opens up everywhere I go. For years, I participated in outreaches on the streets and saw some results, but in this last season, I simply stay connected and move in the presence of the Lord everywhere I go, He orders my steps and the gospel happens in the most miraculous and spontaneous ways. I am experiencing a whole new realm of real life evangelism which is like breathing.

Here are just a few testimonies:

We met "E" walking near our table as we were eating breakfast. She was immediately drawn to Sylvie and I. She came and sat with us for a long time as we shared our testimonies and gave her the New Testament and read parts of it together. We felt so connected that "E," who was in the new age said, "I think we were best friends in another life." I told her that there is no other life, but that there are predestined and eternal friendships that are from God. After about an hour and a half of reading, sharing and praying, "E's" family came by and we were able to meet them too! Please pray for "E" who has opened her heart to the Way, the Truth and the Life, that she may know Yeshua intimately and walk the path of Life in Him!

I met "L" in Lefkara, my family's village in Cyprus where she invited me to have lunch with her tour group some months ago. I was able to share my testimony and the gospel to her and a few others. She got in touch with me several times and we met in Israel for dinner recently with her husband. Though they live in another city, they drove a long way to see me. The minute we sat down at the table in the restaurant, "L" said excitedly, "tell my husband your story like you told me!" I did exactly that. When I spoke about the Shekinah/God's glory that was on the first man and woman before they sinned, "L" exclaimed, "YOU have the Shekinah!" It turns out that her husband, "O" smokes marijuana and drinks. He has many issues which were exacerbated by his brother's suicide 3 years ago. I told him about eternal life and the healing of the soul. He is a wounded soul and dubious, but "L" is hungry for God. She grabbed the NT without hesitation and we even read parts of it at the table. I prayed for both of them. She will continue to read and she said she may visit my congregation in Jerusalem.

One afternoon, we walked to a monastery with beautiful gardens and a lookout over Ein Kerem, the town where John the Baptist walked. We went into a simple and beautiful chapel and began to pray and sing. We were alone, but after worshipping a while, I felt the presence of people in the back of the

room and turned around to see a couple standing there listening to us. We continued singing to the Lord and when we finished, I noticed that they were gone. As we walked in the gardens, I noticed the same couple and we stopped to talk with one other. They said, "we were listening to you singing and our hearts were deeply touched!" I opened up about meeting Yeshua in my room and how He took me out of sin and hell and brought me into heaven, how He changed my life. They were open and listening with their hearts. Please pray for this couple who are searching but presently are in a cult called Anthroposophy. They asked for prayer. I prayed for them to have a revelation of their Messiah, the Son of God. Please pray for this couple! They were deeply touched by the Holy Spirit and said that they will read the Bible.

A few days ago, I woke up with a strong burden for souls. I felt deeply that my testimony was given to me sovereignly by the Lord and that I am here on earth to deliver the good news. My faith (in accepting Yehsua) without works (of preaching the gospel) is dead. I was relating my renewed burden for souls to some friends one morning and expressing a strong desire to share after they dropped me off with their car. I jumped out of their car and walked no more than a few steps when a couple sitting at a picnic table offered me a potato chip, out of the blue! I took the potato chip and they immediately invited me to join them to share who I was! Needless to say, I was astonished at the speed with which God answered my request to share the gospel. I stayed with this couple for almost 2 hours sharing my story, reading scripture, praying and taking pictures! The wife told me that the previous night at her family's Shabbat dinner table, someone brought up Jews for Jesus. The next day, I appeared telling them about Yeshua/Jesus! Coincidence? Please pray that as "E" and "P" continue to read the Bible, that they will come to know their God and Messiah. They are open and prayed with me in Yeshua's Name!

We met "L" on crutches in a cafe and I began to ask her about her foot. She had surgery recently and when I asked if she wanted prayer, she jumped at the opportunity! She was very excited to hear about Yeshua and would like to meet me for coffee to talk some more. We are writing notes to each other and plan to meet in the next few days. The good news of salvation in Yeshua the Messiah is going forth and the harvest is more ripe in Israel than I have ever seen. During all the shaking in and around Israel, many are looking for answers. Yeshua is the only Answer and the Solution to Israel's present shakings. In fact, Yeshua is the only One who can rule His own nation, Israel. Yeshua said, "You will not see me until the time comes when you (Jewish people) will say, "Baruch Haba Bshem Adonai/Blessed is He who comes in the Name of the Lord". Come Lord Yeshua!

Please pray for all these souls and for so many other Israelis who are hearing the gospel, to accept His precious gift of salvation and to welcome Yeshua back to Jerusalem!

Last but not least in the last picture on the collage are my beautiful times of fellowship with good old friends in the land!

Please pray for me as I am remaining in the land for several more weeks: For souls, protection, provision and direction in Yeshua's Name!

The harvest is ripe, but the workers are few. Pray to the Lord of the harvest to send workers! And wherever you go, let the Spirit lead you to those who are hungering and thirsting in their soul for Him! Don't hold back the good news! This is why we are here!

Thank you so much for your prayers that are availing much! Please consider donating to this work to the Jew first and to the Greek (Nations). God is moving again in this Bibleland region!

Shalom and Agape,

Greta
